Warm Alpine Ski Mittens

Goatskin palm, oxford nylon back and cuff, winter lining, 3M™ Thinsulate™ C100 Insulation, hook and loop wrist fastening

- Warm and soft winter liner with 3M™ Thinsulate™ C100 Insulation provides protection against cold.
- Extra long for those who enjoy powder skiing and want to keep warm and dry.
- Full goatskin palm provides durability and good grip in wet and dry conditions.
- Breathable oxford nylon fabric at the back of the hand and cuff provides water-resistance for activities in wet conditions.
- Adjustable wrist strap with hook and loop fastener provides a secure but comfortable fit around the wrist.
- Draw-cord elastic at the end of the cuff.
- Durable but light carabiner hook makes it possible to attach two gloves together.
